SECTION 1 PERFORMANCE WORK STATEMENT (PWS)

1. Summary and Background

The U.S. Consulate in Leipzig (Consulate), in coordination with the U.S. Embassy in Berlin, is currently requesting quotation to coordinate U.S. Government-sponsored exchanges and U.S. Government program alumni, to liaise with the American Space Leipzig and report on these activities, to develop social media campaigns for the Consulate, and to provide administrative support for the Consulate's grants.

The Consulate is significantly involved with exchange programs such as the International Visitor and Leadership Program (IVLP) and the Voluntary Visitor (VolVis) program, which requires significant coordination not only with the candidates, but also with the U.S. Embassy in Berlin. As well, the Consulate seeks to maintain contact with alumni of these programs in order to further the public diplomacy goals and objectives of the U.S. Mission in Germany.

The American Space in Leipzig is an integral part of the Consulate's public outreach program and receives funding from the U.S. Government. Coordinating the activities of the American Space and ensuring compliance with the governing regulations is an important aspect of this relationship. The Consulate works closely with the American Space program to ensure cooperation and coordination of these activities.

Social media is necessary part of any public diplomacy effort. The use of current social media, such as Facebook and Twitter, promotes the goals and of the Consulate and the U.S. Mission in general. Using social and other electronic media helps amplify our message and is considered vital to reaching the Consulate's public diplomacy objectives.

The Consulate works closely with the Public Affairs Section of the U.S. Embassy in Berlin to initiate, manage, monitor, and evaluate grants. Providing sufficient information to the Embassy is essential for a synergistic relationship between the Consulate and the Embassy. As well, guiding grantees through the myriad regulations and the grant proposal process is critical to ensuring smooth implementation of the grants system. Maintaining contact with grantees is crucial for building on successes, especially for grantees who receive multiple-year grants.

The purpose of this Request for Quotation (RFQ) is to solicit proposals from various candidate organizations, conduct a fair and extensive evaluation based on criteria listed herein, and select the candidate who best fulfills these goals and objectives.

2. Project Purpose

The purpose of this project is to support the Consulate's public diplomacy and outreach efforts with respect to exchange programs, the American Space relationship, social media use, and grants management.

More information on the Consulate's public diplomacy work can be found at:

(h) **Certification Regarding Responsibility Matters** (*Executive Order 12689*). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) Are, are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(i) Taxes are considered delinquent if both of the following criteria apply:

A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).
